Your next adventure awaits!

Melba's Supported Holiday program offers local, national, and international holidays for people with disabilities. At Melba, we strive to make every trip a memorable one!

For over twenty years Melba has organised holidays around Australia and the world, supporting people to achieve their travel goals!

You can join the fun by choosing from one of Melba's pre-planned small group holidays or we can organise a custom trip to your desired destination.

We keep our group holidays to small numbers as this allows participants to have more flexibility and choice when it comes to achieving individual goals and outcomes. The maximum number of travellers on our group holidays are six participants with two staff members (a 1:3 ratio).

Before your first experience with our holiday program, we will meet with you to discuss your support requirements, preferences, and specific needs. This is a great opportunity for you to ask any questions you may have. We will ask you to complete a holiday assessment form. This form is very important as it will be the guide that our staff will use to support you during your holiday.

During COVID

We keep up to date with all current COVID restrictions that are in place. Melba's COVID safe protocols have been developed based on the most recent guidelines from the department of Health and Human Services for Victoria Disability Services. Our staff have completed specific COVID safe training. Whilst we are currently unable to travel internationally, we are still organising and booking regular supported holidays within Victoria and hopefully will recommence interstate travel soon.

NDIS

All our trips can be partially funded through your NDIS package if this meets the goals stated in your NDIS plan. The prices quoted for trips are "all inclusive" and cover the support, accommodation, return transportation from the meeting point, main meals, and activities.

The cost of the support component will be calculated based on the current NDIS price guide. All other costs (NDIS unfunded component), will be invoiced separately and need to be paid by the participant prior to the commencement of the trip. If you would like to subsidise your holiday utilising your NDIS plan, please contact us and we will organise a Service Agreement which will outline the NDIS billable costs and your 'out of pocket' expenses.

We look forward to you joining us on our next adventure!
